

# AI AI CAPTAIN

Leading organizations with  
algorithmic navigation

- The rise & fall of the  
Western Empire.

- Attentionalism Economy,  
Exploitation of Value.

- The Ontology of the Digital.

- The power structures of the  
past & the emergence of the  
new..

- Tribal Dynamics for AI- &  
Phygital Success.

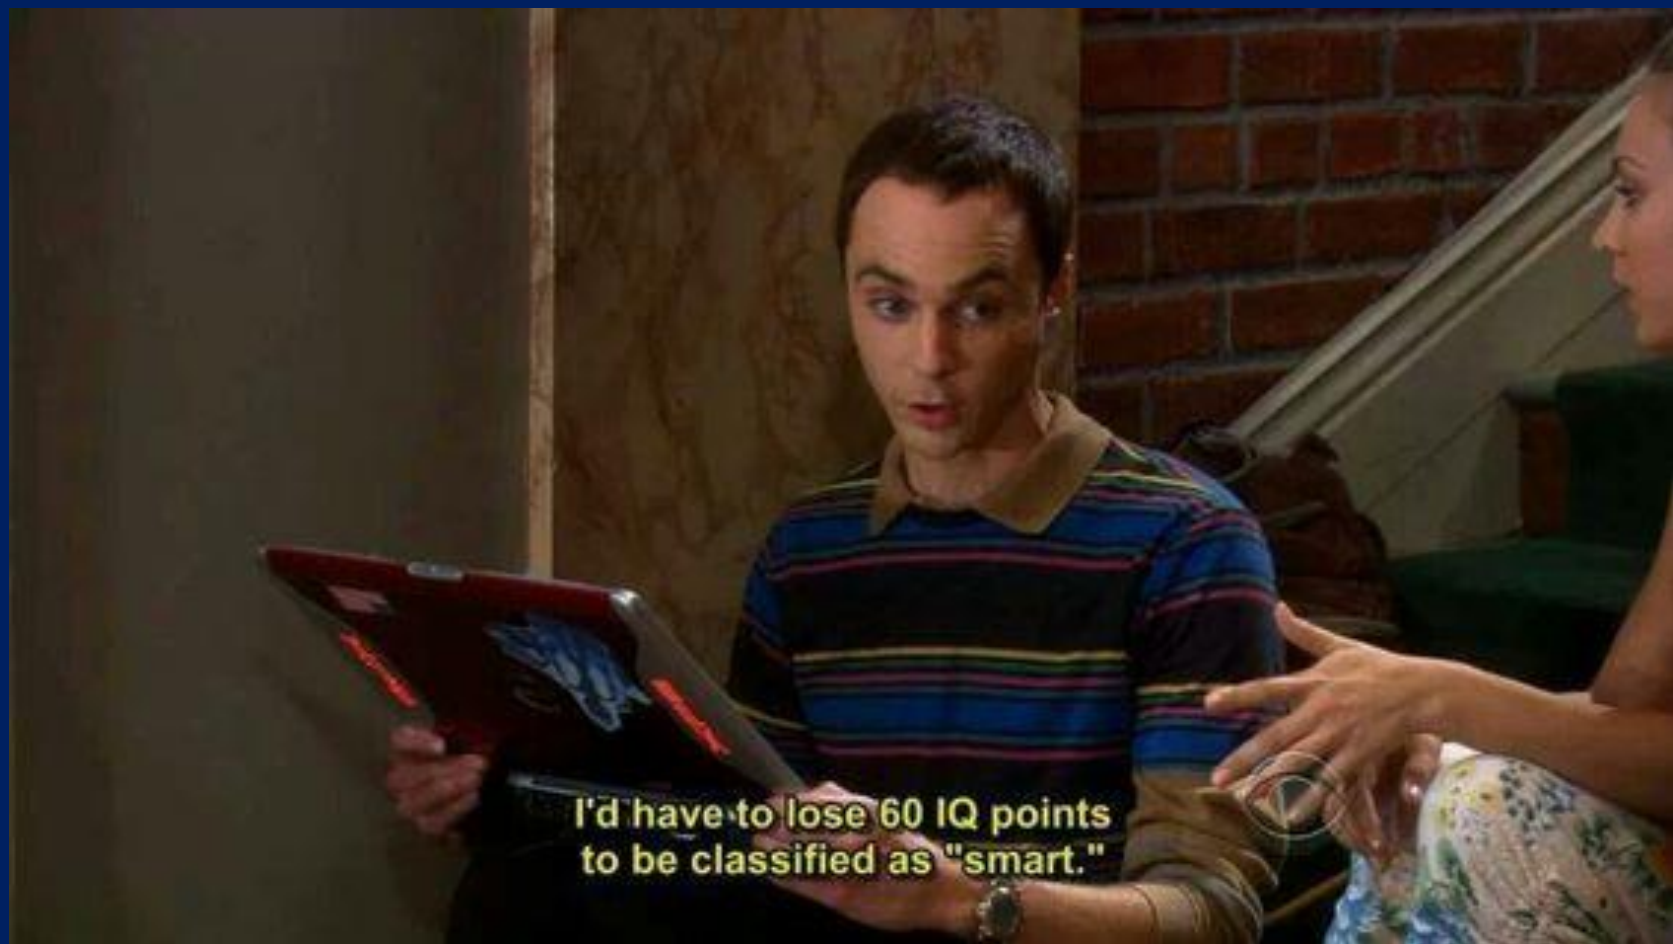

# JONAS BERGSTROM

Slides to summarize me:

**THAT'S THIRTY  
MINUTES AWAY**

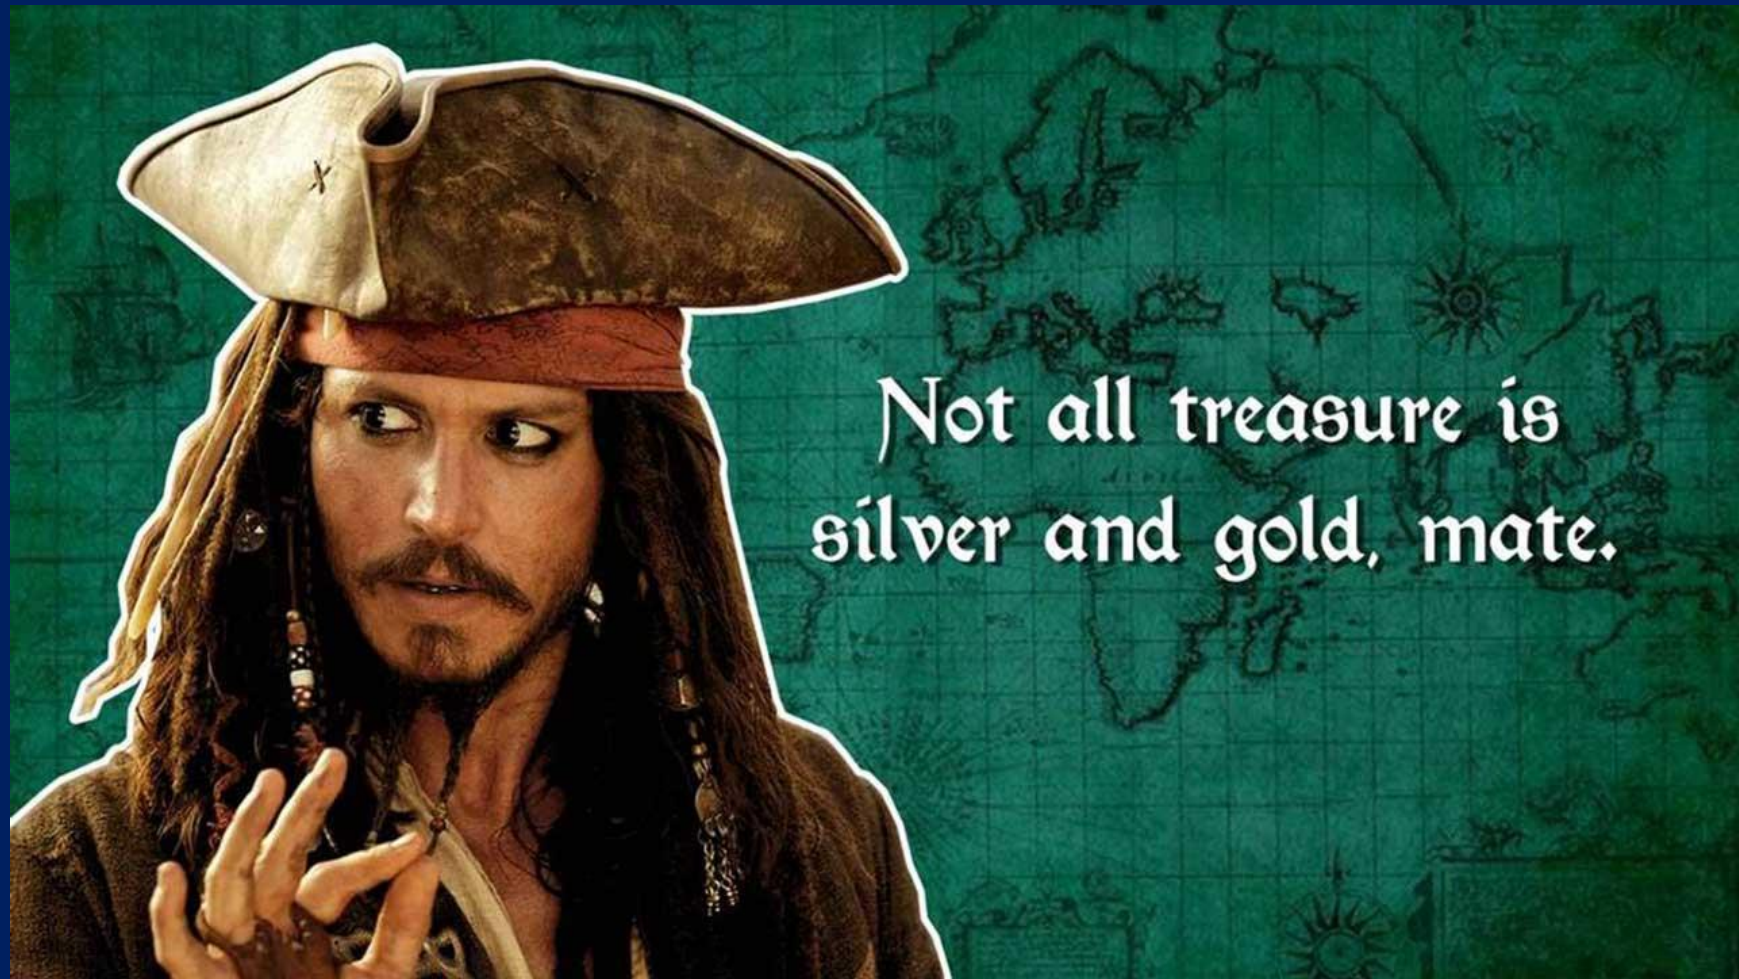

**I'LL BE THERE IN TEN**

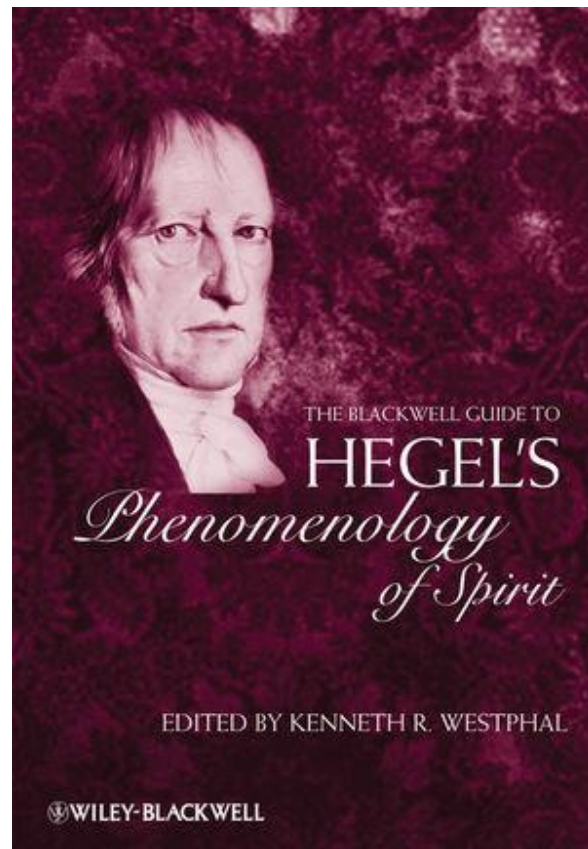

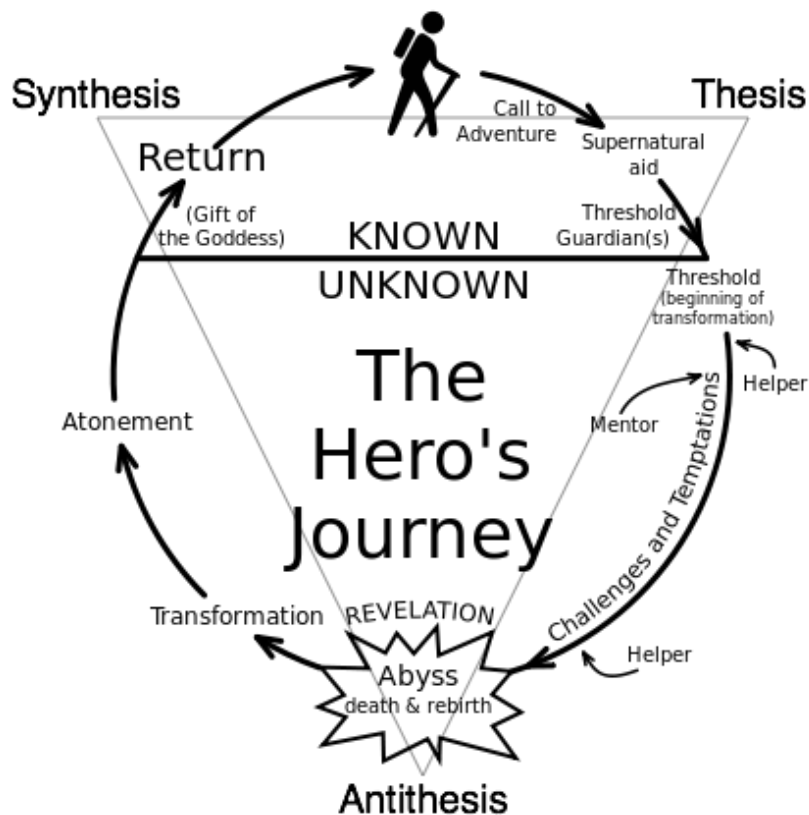

I'd have to lose 60 IQ points  
to be classified as "smart."

Not all treasure is  
silver and gold, mate.

Some companies founded &  
built:

Rebel Light

Control Dept.

Kucko

# Currently running companies & organizations:

Through the Clouds | AI Experience  
Design Phygital Architecture
